June 2025 Helping Uganda...one child at a time

Bible Camp 2025

Our annual Bible camp was a total success! We are grateful to God and to the Calvary Community Church team from Westlake Village, California that led the camp, impacting 600 students from 4th to 7th grade at God Cares Primary School. Even the Spiritual Life Team at God Cares High School, along with the volunteers, were impacted spiritually. The two teams joined forces to intentionally minister to these children, spiritually, emotionally, and physically, who have endured many losses and struggles in their lives at an early age.

Pastor Glory reported, "Hundreds of children accepted Christ for the first time. Children memorized a scripture verse every day, and by the end of the week, they had mastered four memory verses to perfection. It was beautiful watching them recite these to different leaders. Paul, one of the leaders of the Calvary team, was a great teacher of the Word. His passion was contagious. The other leader, John, was both humble and powerful. The Spiritual Life leaders at God Cares School all learned a thing or two from them. Personally, I learned more about how to communicate hard things in humility and boldness combined. "

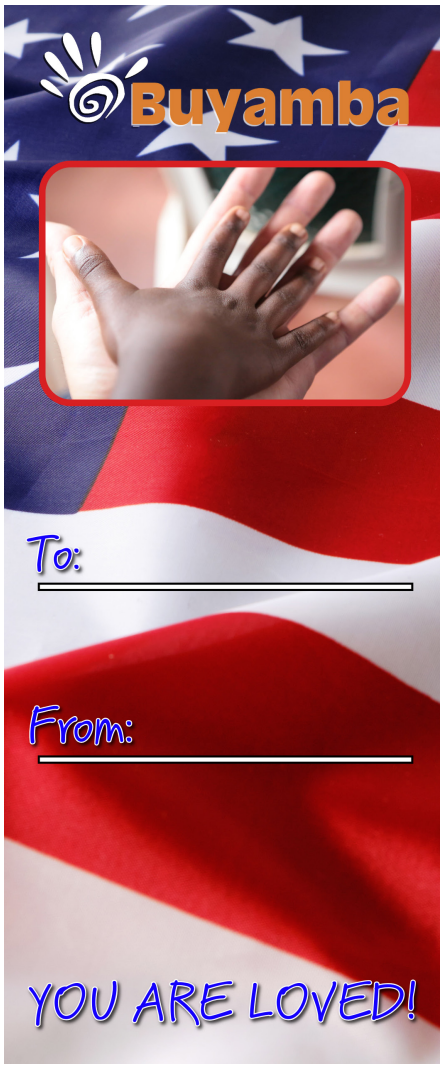
Our theme scripture was 1 Peter 1:3, "Blessed be the God and Father of our Lord Jesus Christ! According to his great mercy, he has caused us to be born again to a living hope through the resurrection of Jesus Christ from the dead."

Bible Camp 2025

The week long camp consisted of powerful messages about walking as a Christ follower, woven into a variety of exciting games, races, songs, and dances. There were also a few zip-line jumps, human hamster balls, and virtual reality head sets to make things even more fun. The children experienced a camp like no other, which ultimately led them to deepen their walk with Christ.

All 600 kids received Bibles, as well as all volunteers. They are all excited to use them in school in the next term and at home. Thank you to all who supported and prayed for this ministry and specifically for this Bible camp! Our mission has always been —and continues to be— to impact the nation of Uganda through education and discipleship, one child at a time.

Summer Writing Invitation



It has been a tradition at Buyamba to write to your child around the 4th of July because July is when the Buyamba team makes its annual trip to God Cares School. Enclosed with your newsletter is a card for you to fill out and return to us by using the provided return envelope. The team will then hand-carry your summer cards to Uganda in July and distribute them to your child. Please print because the students in Uganda are not taught cursive in school.

If you have two or more children, we offer an additional way to access extra cards by visiting our website and navigating to the 'WRITE TO YOUR CHILD' page, where you can download additional cards or fill out a digital card. Please include your first and last name, as well as your child's first and last name if you know it. Then, fill the back of your card with a note to brighten your child's heart. Ugandans love Americans, and the flag waves over the school, so this card will be a blessing to them, carrying a special message from the sponsors here who love their students at God Cares School.
