September 2025 Helping Uganda...one child at a time

A Name, a Story, a Future

In Uganda, a child's name is more than a label—it's a story, a prayer, a legacy. At God Cares Primary and High School, children like Precious, Gift, Treasure, Thanks, and Glory carry names that reflect their profound value in the eyes of their families and their Creator. These names, rooted in tradition or born from circumstances like a peaceful birth (Busingye), a hard-won struggle (Mukasa), or the joy of twins (Nakato), speak to hope and resilience.

But for too many of these children, life is fragile. Uganda's infant mortality rate, though improved, remains high at 39 deaths per 1,000 live births—far above the global target. Malnutrition, HIV, and limited maternal care cast long shadows. As Bob Goff shares in Catching Whimsy, the question in Uganda isn't "How many children do you have?" but "Do you have many children?" The answer, delivered with a warm smile, is a testament to survival and faith: "Yes, I have many."

The Buyamba Office Moved!

The Buyamba Office has been moved downstairs in our current office building, the Courtyard in Westlake Village. Our address remains the same, but the suite number is now #108! We have made the adjustments with the post office and our mailings, but please update your records—especially if you pay through BANK BILL PAY!

Save the Date for the 10th Annual Pumpkin Patch

Our 10th Annual Buyamba Pumpkin Patch is here! Each year, this special event not only brings the community together in California but also raises vital support for God Cares Schools in Uganda. Proceeds from every pumpkin—and every gift given toward the patch—helps us continue building a school of excellence for the next generation of students who will impact their nation for Christ. Even if you can't join us in person, you can still be part of the harvest by giving online. As a special thank you, every donor to this year's Pumpkin Patch will be entered into a giveaway to win a beautiful handmade quilt!

A Name, a Story, a Future

For orphans at God Cares Schools, your sponsorship is a lifeline. For 25 years, the Buyamba ministry has lifted children out of poverty, giving them education, hope, and a future. Names like Joan, Alan, or Treasure aren't just written in their classrooms; they're written in the Lamb's Book of Life, as Isaiah reminds us. Through your support, these students grow to transform their communities with the love of Christ, carrying hope back to places that need it most.

"For 25 years, the Buyamba ministry has lifted children out of poverty, giving them education, hope, and a future."

Your gift of just $40 a month can change a child's story. It can affirm that a child named Gift is indeed a treasure, offering them education, care, and a chance to dream. One child at a time, we can impact Uganda for Christ.

Will you join us?

Every child's name carries a promise. For $40 a month, you can help that promise shine. Sponsor a child today and be part of their story!

Scan the QR code to see the faces of children still waiting for a sponsor—and discover how you can impact their future.

THANK YOU!

To our current sponsors, thank you. You are living out this mission already—your support is changing the lives of students like Precious, Gift, and Hope, at God Cares Schools. You are giving children the opportunity to grow, to dream, and to impact Uganda for Christ. We couldn't do this without you.
