TRIP DISCLOSURE

Mission trips can be extremely strenuous & stressful. They may include long air/train/bus rides of 10-24 or more hours in duration. Participants are required to carry their own luggage. Restrooms are not always readily accessible. The housing/meeting rooms may not have air conditioning & may not have adequate heating. There may be a considerable amount of walking between the housing & meeting locations in addition to climbing many flights of stairs. The summer months in much of the world are very hot/humid & may affect overall strength/energy. The air quality is poor in many locations. All of these factors may aggravate certain health conditions. Medical facilities in most third world countries where we travel may not provide adequate care. A medical statement from your doctor may be requested.

The Participant hereby agrees that all contributions given for his/her participation in the above named long-term trip/project are the property of Buyamba. Accordingly, all checks must be made out the Buyamba with a note designating which person's name to credit. Checks not made payable to Buyamba cannot be deposited. As noted above, donors may request that their contribution be used to pay the expenses of a particular person for a particular trip. However, to receive contribution credit for income tax purposes, IRS regulations prohibit donations from being designated for the benefit of one particular person. Further, IRS regulations prohibit the refunding of donations should the named person not participate in the trip, or should the trip not occur. As a result, it is Buyamba's policy that contributions shall not be refunded.

Financial gifts towards trips are tax-deductible should be made in addition to your regular tithing. Should a particular person not participate in the trip, should the trip be cancelled, or a particular person fund raise more than his or her trip cost, all donations received for that trip shall be used to pay the expenses of other people participating in the trip, reallocated to other short-term trips, or reallocated to the general fund, at the discretion of Buyamba. Donors must be made aware of these policies at the time a donation is solicited.

Long-term missionaries should organize funds before trip date and inform Buyamba of the payment plan established with specific donors. A plan for financing should be discussed and submitted to the Buyamba Director directly. The long-term missionary should correspond with his/her donors directly. The ministry cannot afford to nor will be responsible for any funding of the long term mission trip at any time.

IF YOU ARE FUNDRAISING: THIS PARAGRAPH MUST BE INCLUDED IN YOUR SUPPORT LETTER

"Checks should be made payable to Buyamba, returned with the attached Sponsor Card, in the attached self addressed stamped envelope. Financial gifts toward my trip are tax-deductible. Please understand that it is Buyamba's policy that all contributions are non-refundable. Should I not be able to go for some reason, or the trip is canceled, all donations received for the trip will be used to pay the expenses of other people participating in the trip, reallocated to other short-term trips or reallocated to the general fund at Buyamba's discretion."
